

Tea Party at the Garden

If you are looking for a new and different way to celebrate a birthday, bridal or baby shower, graduation, Sweet 16 or any other special event, the Bistro Garden is now offering "Tea Party at the Garden."

We are able to accommodate parties of 30 or more seven days a week in our private Fireside Room from 11-4 pm.

For parties of 10- 30 people, we offer seating in our Main Dining Room Monday through Friday and Sundays from 11-3 pm.

Our Tea Party is very traditional, yet less formal than a High Tea.

A selection of teas is placed at the table and each guest is presented with their own teapot with the proper accompaniments.

You may choose to offer a buffet or individual plates per person.

You will be able to choose five different sandwiches, two types of scones and three desserts. The cost is \$40 per person not including tax or gratuity.

Price does not include any alcoholic or non-alcoholic beverages
